**4x4 Four-By-Four Case IH 8430 Round Baler**

In Stock! Call Today! Priced to Sell!

A baler that offers you an unmatched lineup of features and benefits  
 • Makes up to 800 pound 4x4 bales with high leaf retention  
 • Heavy-duty pickup made from the same tough components as larger Case IH models  
 • Hydraulic density control makes sure bales are tight and well-shaped  
 Uptime All the time™

Tractor-mounted electronic monitor keeps an eye on bale size and tailgate latch  
 • Hydraulically-actuated twine arm for dependability and convenience  
 • To make top quality bales efficiently, you need only 50 PTO horsepower  
 And you get more than a quality baler. We are committed to providing genuine, value-priced Case IH parts, professional and reliable service and flexible financing

Model 8575 High Moisture OR Dry Baling At Its Best! Bale Chamber 31-1/2"x34.4" With Adjustable Length Up To 98" Long!

Simplify Your Operation! Simplify Your Life!

- The features include:
- Wide, low-profile pickup rake two windrows together
  - Charge chamber preforms flakes - better leaf retention

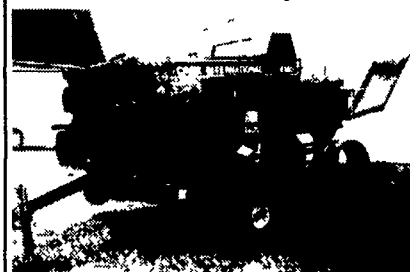

- Double knottor system virtually eliminates twine breakage
- Optional ejector and roller chute to remove silage bales
- Optional 8576 accumulator groups up to four bales in strategic locations

Fits the way you farm.

- Bale dry or silage hay with no changeovers
- No stopping to tie and eject bales
- One 8575 can replace two 5' x 6' round balers
- Operate with only one tractor and one man
- Higher hay quality means more profits

Lower your overall operating costs while improving your efficiency and hay quality. We are committed to providing you with professional, reliable parts and service support, and flexible financing

The Shortest Turning Large Tractor You Can Own Today! Simple, User-Friendly Operation.

### Industry Leading Turning Radius

The revolutionary chassis of the MX Series Magnum improves your overall performance and productivity. In fact, the innovative Surround frame allows for the tightest turning radius in the industry, even with front duals!

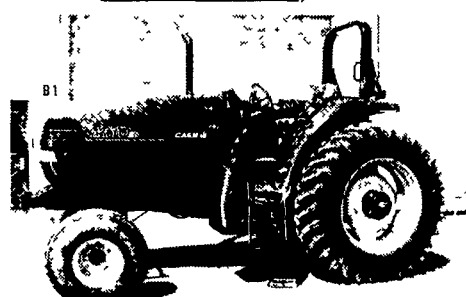

Thanks to axle improvements, engine placement and a sleek hood design, the MX Series Magnum can easily turn into 12 30-inch rows with all row crop tire configurations on true 60-inch tread settings

The new, single-piece, sculpted, cast iron Surround frame is the key to the enhanced capabilities and performance of these tractors. It enables the MX Series Magnum to offer the first factory front duals, dramatically improving both traction and flotation. By balancing the chassis, we've significantly reduced the amount of front ballast required. And the frame easily accommodates mounted chemical tanks or loaders, allowing you to perform multiple applications

Make sure your next Case IH Magnum comes from Binkley & Hurst Bros. See us soon!
