**3 ways to make your work easier**

*High-visibility 75-85 hp\* MF 4245 and 4255 models let you easily see the ground and work right in front of the tractor. They're ideal for loaders, row crops, and other tasks where forward view is paramount.*

*Standard MF 4200 Series models from 65-99 hp\* provide great all-round visibility, a wide choice of features and options, plus outstanding comfort, performance, and value for all jobs.*

*Low-profile 55 hp\* MF 4225 model combines the exceptional forward view of the high-visibility models with a lower cab (96-in. cab clearance on 18.5-30 tires)*
