EVERLAST II EVERLAST II EVERLAST II

Metal Roofs Aren't Created Equal

EVERLAST II IS BETTER:

- it is galvanized heavier, like old times.
- it is heat formed, less paint cracks.
- is cut while hot, prevents early edge rust.
- won't scratch as easy, paint is harder.
- won't bend or buckle as easy, stronger design.
- laps are tighter, and virtually invisible.
- nail/screws seal better, ribs fit tighter to head.
- zinc phosphate, not chromate under paint.
- still priced about the same or less.

EVERLAST II is excellent for for houses and barns.
DOUBLE DIPPED GALVANIZED is proven best for animals.
STANDING SEAM is ideal for houses.

CAN ALSO BE PICKED UP OR DELIVERED FROM LEBANON PLANT
