FAIR HILL, Md. — The 21st annual Ag Showcase Day at Cecil County Fair was conducted here recently at Fair Hill Farms.

About 175 producers and agri-industry representatives attended the demonstration event. Included were exhibits on hay and forage handling, above; compact tractor and manure spreading for the small farmer; precision agriculture and site-specific farming technology; and seeding orchardgrass with a minimum/no-till drill. **AG PROGRESS:
THE SHOWCASE OF AGRICULTURE**
Lancaster Farming has scheduled a special promotional issue on Ag Progress Days, the annual Penn State showcase agricultural event at the university's Rockspring research site. That Aug. 11 issue will feature news and information, including maps and event schedules.

AGRICULTURE
THE GRAIN OF OUR ECONOMY

Pack Mat

Reduce Sand

- Increase Cow Comfort
- The perfect complement to any sand stall
- Owners report sand savings up to 80%
- Yielding surface does not allow sand to compact
- Prevents "digging out" of stalls

Pasture Mat Plus

The Perfect Addition To Your Pasture Mats

- Its soft durable design provides added cushion to both old & new mattresses
- It helps to remove the ripple effect of the mattress, and increases the ease of cleaning

Pasture Mat

The Golden Standard In Cow Comfort

- Why Pasture Mat?**
- Pasture Mat is tightly stuffed with rubber and sewn every 4" to prevent shifting
 - Proven most durable top cover
 - Least abrasive top cover on the market
 - Fits any stall
 - Proven performance

The Comfort Zone

Stainless Steel Tie Stall

The Comfort Zone stall is constructed with all high grade and top quality 304 Stainless Steel. With added option of stainless steel, or galvanized hardware and tie rail the Comfort Zone tie stall becomes versatile and cost efficient.

Stop by our Booth at the Show to see the durability, and Cow Comfort design of this all new suspended tie stall.
