

There's only one place to be in August...
the Eby Exhibit at Ag Progress Days!

Introducing

The new versatile, affordable
MAVERICK LS TRAILERS by Eby

Available in: 13' & 16' Bumper Hitch Models, and a 16' Gooseneck Model.

16'L x 6'5"W x 6'6"H Gooseneck, *also available in 7' height*

16'L x 6'5"W x 6'6"H Bumper Hitch, *also available in 7' height*

The versatile, light-weight and affordable Maverick LS Series has been introduced to provide the small to mid-size farm and livestock operations with the benefits of Eby all-aluminum construction. These models feature a reduced width (6'5") for improved visibility and handling—they are designed to be pulled with lighter duty trucks and SUVs.

13'L x 6'5"W x 6'6"H Bumper Hitch, *also available in 7' height*

Engineered for durable performance for a wide range of livestock, these trailers are built without compromising Eby's standards.

Production economies bring Maverick LS prices within reach of steel, so even the occasional user can afford the added benefits of low maintenance aluminum with its longer life and higher resale value.
