INVITATION FOR BIDS

The Lancaster Conservation District is requesting bids for the construction of an Agricultural Waste Management System in West Earl Township. The project includes a storage structure and barnyard runoff control work, to be funded in part by the Chesapeake Bay Program.

Prospective contractors can receive a bid package, which contains Instructions to Bidders, the Plans for the Project, and a Bid Sheet. Construction standards and specifications are contained in the Contractor's Handbook, Pennsylvania Chesapeake Bay Program, dated April 2000. These are to be considered part of the contract package, and need to be used during project installation.

Small and minority businesses and women's business enterprises are encouraged to respond to this invitation for bids.

The site showing will take place on **Wednesday, September 5, 9:00 A.M.** at the project site. Sealed bids will be accepted until the public bid opening in the Conference Room of the Farm & Home Center on **Wednesday, September 19, 9:00 A.M.**

Bid packages and/or the Contractor's Handbook will be available at site showings, or by contacting the Lancaster County Conservation District office in room 6 of the Farm & Home Center at
