Go With The Flow.

The GLEANER® R52 rotary combine, with its 245-bushel standard bin capacity and 230 hp Cummins engine, gives you the technical edge of our Natural Flow processing. The constant angle of feed to the processor means superior threshing and separating. And moving material smoothly—instead of tossing and turning—protects your crop's final quality.

Come in for a closer look at the R52, along with details on the exclusive GLEANER warranty. It covers your GLEANER combine from header to spreader for 2 years, with unlimited hours and no deductible. There's really no smarter way to go.

*A GLEANER exclusive
