A Dry Cow Booster That Costs 7¢ a Day

Hoffmans Horse and Cattle Powder is an ideal tonic for cows over freshening. Feed 6 wks. before freshening. 1 Tablespoon a day (Two weeks over freshening, feed 1 Tablespoon in the morning & 1 Tablespoon in evening)

Cows will clean better after freshening. Cows have a lower somatic cell count and will have less mastitis problems. Great for reproduction tract and cows will cycle better after freshening. Will help rumen function over freshening. Less feet problems and less stress.

This is an over-all good booster if fed to dry cows, and it will pay you big dividends
