**With the Simplicity You Want!**

**GEHL DELIVERS HIGH SPEED PERFORMANCE AND  
MORE RELIABILITY, TOO!**

Gehl disc mower conditioners feature a simple drive system with fewer moving parts to power both the cutterbar and conditioning rolls from a single gearcase. New cutterbar design delivers consistent performance in the toughest crops and conditions. Full-width skid shoes and the patented Protectadrive™ system protect cutterbar gears. Disc drive assemblies are individually removeable for quick servicing. Wider rolls provide more consistent conditioning while Gehl's unique forming chamber delivers fast-drying higher-standing, fluffier windrows or full-width swaths.
