You're Gonna Dig This!
 The new Kubota KX 121 Series III Excavators are now at Hooper

Kubota
 Better Results... Every Time.

- **Load Sensing Hydraulics**-uniquely designed hydraulic system ensures speed under light loads and power under heavy loads.
- Featuring an offset boom, ideal for trenching next to or around existing structures. The long reach puts the bucket right into tight spaces while minimizing repositioning time.
- Complete with pilot controls, a two-pattern selection system, suspension seat and new hose connections between the boom/blade cylinders.
