When you sit in your tractor, does it feel like this?

Hey, it's farming, not air-to-air combat.

As complex as some of the larger tractor controls are getting, you have to wonder what some manufacturers are thinking

Fortunately, clearer thinking prevails at Massey Ferguson. We work hard to make sure the controls on our MF 6200 and MF 8200 Series tractors are easy to work and easy to understand. So you get your work done quickly and efficiently

You have bugs, weeds, diseases, and market prices to deal with. Why should you have to fight with your tractor?

WHAT TO DEFEND ON.  **MASSEY FERGUSON**
