Waterbeds for Cows

10 Year Limited Warranty

The ALANTA Waterbed for cows is a revolutionary product, comfortable, safe and hygienic. It clearly improves your cows' well-being and therefore promotes higher milk production. It is the ultimate stall floor covering for the modern, animal-friendly dairy farm.

WELL MADE
The ALANTA Waterbed is made of two rubber layers with a water-filled compartment in between. GD-Enerka gives a 10-year guarantee.

COMFORTABLE
The waterbed molds itself to the cow's shape. It's cool in summer and pleasantly warm in winter.

SAFE
Thanks to the non-slip rubber upper surface, the cow is gripped firmly and cannot slip off. In this way the ALANTA waterbed keeps damage to hooves to a minimum.
