

First Harvestore® of the Year!

*Penn Jersey's building crew
is in full swing!*

The first Harvestore structure of the season, a 20 x 60 forage unit, was recently completed for Robert Weaver of Strasburg, Lancaster Co. The structure will complement Bob's first Harvestore structure, a grain unit built in 1981. Thanks and congratulations, Bob!

Bob cut his rye for first filling on April 13th!
