Bale sooner

If you want faster drydown, rely on a Model 1412 Discbine® disc mower-conditioner. They use an innovative flail conditioning system for faster drydown so you can bale up to a day sooner.

- **Unique tapered flails** remove crop's waxy layer to speed drydown
- **Independent disc modules** are sealed in their own oil and linked by independent drive shafts so they can be serviced or replaced easily for extra peace of mind. It's the most advanced design available

Stop in and see the New 1412 Discbine today.
