Everlast fits tighter.

Screws and nails fit tighter on Everlast II metal roofing and siding ribs. Less risk of leaking. Laps are virtually invisible. No other manufacturer's metal seals so well with nails.

Rural Economy

Cost-efficient Centurydrain® roofing and siding is on some of the best looking buildings in the country.

Build with Centurydrain roofing and siding and you've built a money-wise structure. Full-hard, high tensile galvanized steel, and an exclusive drain channel for a dry interior give you a building that'll handle years of hard duty and hard weather. Good looking, too. Crisp lines and plenty of bright, long-lasting colors make Wheeling Centurydrain as handsome as it is economical.
