A Powerful Dingo Crew, Ready to Work for You

Now you can choose the Dingo that best meets your needs. All of our machines offer incredible hydraulic power, 360° visibility, great operator mobility, confined area maneuvering and a quick-attach system that lets you swap most attachments in under a minute.

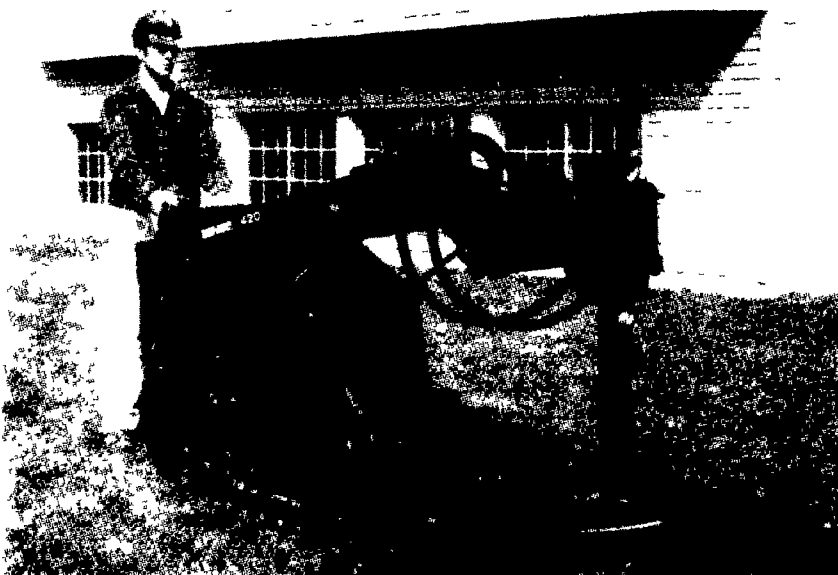

The original Dingo 222 is our simple chain drive model. Its reliable air-cooled Kohler® gas engine brings you all the power you

need at a lower cost. Kohler has a two year warranty too.

Step up to the Dingo 322 and realize the benefit of 4-Paw™ independent 4 wheel drive coupled with dual gas tanks to power you throughout the day. Prefer diesel? There's the Dingo 320-D, also with 4-Paw drive, powered by a long life Kubota 20 hp engine that's backed by a solid 2 year warranty.

Then there's the Dingo TX 420. If you're looking for the power of a track drive, this one's been exclusively designed to excel under the demanding conditions you expect from Dingo. It's equipped with a powerful 4-pump hydraulic system that lets you simultaneously operate the loader, attachment, traction and auxiliary drives for increased operator efficiency, yet it's amazingly easy to operate.
