"We saw an increase in milk"

- Joe Graybill, Graywood Farm, Peach Bottom, PA

Graywood Farm bought a truck-mounted Roto-Mix feed mixer in October 2001. Joe Graybill says the mixer does an excellent job of mixing, with very little particle size dam-

age. He's also very pleased with the way the truck mixer handles.

Graywood Farm Milks over 400 cows.

**Revolutionary Infeed System
Delivers Sure Starts and Faster Baling**

Gehl's exclusive variable open throat power in-feed system delivers smoother feeding in the widest variety of crops and conditions. The unique pivoting upper in-feed roll aggressively reacts to incoming crop volume, varying the throat opening from 3/4-inch to nearly seven inches and giving this baler the ability to handle huge volumes of crop at faster ground speeds
