 See Binkley & Hurst Bros and Take a Look at the ALL NEW..

GEHL MODEL RB 2580 ROUND BALER 4'x5'
 Featuring the ALL-NEW Variable Open-Throat Power In-Feed System
GREAT BALING STARTS HERE
 Variable Open-Throat Power In-Feed System Here's how it works: The incoming crop is pulled off the pickup by the aggressive action of two power in-feed rolls - a 6-inch-diameter pivoting power in-feed roll on top and an 8-inch diameter fixed power in-feed roll on the bottom. The stripping roll strips crop off the belt and forces it down to the incoming crop. Adjustable scrapers on the stripping roll and pivoting roll eliminate buildup.

WRAPPED BALE GRABBER
 The logical and economical answer to your handling and stacking of wrapped round bales.

DON'T MISS THIS ONE! ONE ONLY - TOWAWAY SPECIAL! New Gehl 1315 Scavenger Manure Spreader

 Call Amos Sr.! Must Be Sold! Ask About Case Credit Financing!

THREE BALL SYSTEM
 Special ball system for your round bales. The balls are made of a heavy-duty material that opens to allow the crop to pass through the line. An operator can adjust the balls to control the amount of crop that passes through.
GAUGES - The gauges help to follow field conditions while baling. The gauges are mounted on the front of the baler and provide a visual indication of the crop height and moisture.
WHEELS - The wheels are made of a heavy-duty material and are designed to handle the weight of the baler and the crop.
AN OPTION WITH A CONVEYOR
BELTS - The belts are made of a heavy-duty material and are designed to handle the weight of the crop. The belts are 5-1/2 inches wide and are spaced 4 inches apart. The belts are configured in a staggered pattern to help reduce trash build-up.
SPECIAL DEMONSTRATOR - ONE ONLY CASH PRICE WHICH COULD RECEIVE ELITE RATE FINANCING WITH CREDIT APPROVAL!
 List Price \$22,590 **\$16,300 (NE 9345)**
