Suzuki QuadRunner ATVs may be used by those aged 16 and older. Suzuki highly recommends that all ATV riders take a training course. We'll even pay for it! For safety and training course information, see your dealer or call the SVIA at 1-800-852-5344. ATVs can be hazardous to operate. For your safety always wear a helmet, eye protection and protective clothing. Always avoid paved surfaces. Never ride on public roads. Never carry passengers or engage in stunt riding. Riding and alcohol or other drugs don't mix. Avoid excessive speeds. Be extra careful on difficult terrain. Always with concerned conservationists everywhere. Suzuki urges you to "TREAD LIGHTLY" on public and private land. Preserve your future riding opportunities by showing respect to the environment, local laws and the rights of others when you ride.
