McCormick CX

The workhorse McCormick CX Series tractors (73 hp-102 hp) are some of the most rugged in the field today. The CX features lean-burning, high-torque 4-cylinder Perkins diesel and a synchromesh shuttle transmission. It's the ideal choice if you're looking for a well built, dependable chore tractor for hay, loader, field application, livestock or medium-duty field work.

And - with optional powershift and creep speed, and your choice of base, platform or deluxe cab - it's comfortable for both you and your wallet.

Stop in for a test drive today, then drive away in a new McCormick.
