

NaPaul Farms

Chambersburg, Franklin County

Paul and Nadene Cashell have been on this farm for seven out of the 11 years they have been farming and have been its sole owners for a year and a half. With the help of five full-time and three part-time employees, the family milks about 340 Holsteins and grows 700 acres of crops, including corn and alfalfa/orchardgrass. They

also double-crop about 120 acres of the corn with wheat that is chopped for silage.

The Cashell's three children Ben, 13; Quinn, 9; and Chase, 6, keep busy on the farm as well exhibiting Holsteins at state and local shows.
