

Cecil County Fair Awards Market Goat, Lamb 4-H'ers

ANDY ANDREWS
Editor

FAIR HILL, Md. — "Buttons" may have a round spot on its side, but the market goat wore a blue ribbon on its halter Tuesday at the Cecil County Fair.

Immaculate Conception fifth grader Lillian Ferver exhibited the Boer goat.

Lillian, 10, is the daughter of Virginia and Michael Ferver, Cecilton.

This is a first-time champion for Lillian, Cecil Sliders 4-H member. The goat was purchased from Lee Clugston, Elkton.

Olivia Farmer, 11, daughter of Teresa and Joe Farmer, Rising Sun, Md., held onto a goat with a

streak of white running up and down its face — which Olivia nicknamed "Blaze."

Blaze, a Boer goat, was exhibited by the sixth grade Rising Sun Middle School member. Olivia has exhibited other goats and displays her work from the vegetable garden in addition to baked goods.

Sheep award winners were also selected at the fair.

Sara Culver, 10, daughter of Tammy and Roger Culver, Fair Hill, Md., won champion market lamb with a Suffolk/Hampshire crossbred wether, winner of the middleweight division.

Culver has been champion three years in a row, she said.

The lamb, nicknamed "Discover," was purchased from Bullock Farms in Dover, Del.

Reserve went to

Chelsea Davis, 10, daughter of Edgar and Sarah Davis, Earlville. The Cecilton Elementary fifth grader won with a Hampshire wether.

This was Chelsea's first time showing and her first champion.

Following are goat show results:

CECIL COUNTY FAIR MARKET GOAT SHOW RESULTS

Lightweight: 1. Hannah Sanford-Crane. 2. Chelsea Davis 3. Charlotte Sanford-Crane.

Medium Weight: 1. Molly Linton. 2. Charlotte Sanford-Crane.

Heavyweight: 1. Lillian Ferver. 2. Olivia Farmer. 3. Jennifer Linton.

Champion: Lillian Ferver. Reserve: Olivia Farmer.

Sara Culver, right, won grand champion market lamb at the Cecil County Fair. Chelsea Davis won reserve.

Lillian Ferver, right, won champion market goat Tuesday at the Cecil County Fair with "Buttons." At left, Olivia Farmer won reserve with "Blaze." In center is show judge Robert Dinsmore, Frederick, Md.

POURED SOLID CONCRETE

STORAGE SYSTEM SPECIALISTS

START WITH THE BEST! POURED CONCRETE WALLS

You get about 40% more concrete for your dollar with a poured, solid concrete basement as compared to a hollow core block basement.

A poured solid concrete basement weighs about 50 lbs more per cubic foot! Far denser. What's more, poured solid concrete walls are monolithic...there are no joints!

This is why laboratory tests show poured, solid concrete basements have many times the flexural and compressive strength to withstand the side and down pressures caused by earth, wind, water and building loads and the material density to resist water penetration.

Best of all, thanks to modern and efficient construction techniques, poured, solid concrete basements are competitively priced.

Solid Concrete For:

- Manure Pit Walls
- Hog House Walls
- Barnyard Walls
- Chicken House Walls
- Retaining Walls
- House Foundation Walls
- Silage Pit Walls
- Cistern Walls
- Concrete Decks
- Concrete Pit Tops
