

UniVENT

Maximum bird comfort and egg production • Most reliable and cost-effective feeding system in the world • Automated manure drying and removal

PROFITier

Truss-rod suspension • Durable A-frame construction • Wide range of profiles • Efficient egg collection

Ever since we introduced the world's first automated poultry feeder over 60 years ago, we've never stopped leading the industry with inventive technologies.

Our flexible product line of cage systems incorporate a full range of concepts that allow us to design the system that best fits all your changing requirements. Our complete spectrum of products for rearing and production include "A" frame cages, Belt Battery cages with manure drying and Alternative Layer systems.

As the leader in technological innovations you can be assured that our products will put you on the cutting edge of productivity. After all, your success is our success.
