ALFALFA SEED \$1.55/Lb.
from the Dakota's Trask Family Seeds

- Features grower to grower direct seed sales
- SDSU tested and researched
- Distributed from Parkersburg PA
- \$1.55/lb in 60 lb bags
- Varieties: SD Common Vernal and Rhizoma
- Dakota alfalfas are dormancy rated #2 and proven to excel in winter hardiness and production!
- Trask Seed is American grown and priced to reflect no corporate monopolies!

PA farmers have great hay crops with South Dakota alfalfa seed. Paunierland Farms, Westfield, PA, John Paunier said "The Trask's seed grew extremely well. We recommend it to anyone. It is real leafy and yielded as well as any of the high priced name brand seeds. It cost 40% as much. We planted 294 acres. We intend to plant more this spring. It was exceptionally winter hardy and resisted frost damage. We are very pleased.

Join the numerous farmers in the PA/NY area harvesting superb alfalfa from South Dakota seed
