Fiberglass Wheels & Springs - Upholstery Fabric
Powder Coated and Zinc Plated Carriage Parts

700 Country Lane, Paradise, PA 17562 Ans. Service (717) 627-7120

★ ★ New Products Now Available ★ ★

• The Advantages of the Fiberglass Wheels are:

- **Very Low Maintenance Costs**
These wheels are built to last a lifetime and beyond without ever having to replace any parts on the wheels under normal use. The only maintenance required will be tightening up or replacing the tire or rubber.
- **High Performance Regardless of the Elements**
Wheels stay tight even in hot, dry conditions - No more loose rattling spokes - ever!
- **Rugged Heavy Duty Design**
It takes a major accident or impact to break or twist these wheels.
- **Hard Durable Surface**
Resists scuffs and scratches, paint job stays shinier.
- **Easier Cleaning**
Spokes have all rounded corners, no tight spots for dirt to get into.

• The Advantages of the Fiberglass Springs are:

- **Lightweight**
A fiberglass spring weighs 22 lbs. less than a steel spring, 44 lbs. less weight on the carriage.
- **Durable One Piece Design**
No bolts to give out or wear.
- **Better Performance With Heavy Loads**
The more weight, the better the ride, will not go flat and bottom out.
- **No Rusting Ever**
Paint will not blister or peel off. No rust stains running out between the plys, providing a nicer appearance and much easier cleaning.
- **A Lifetime Guarantee**
If these springs ever break under normal use, we will replace them free of charge.
- **Stabilizer Kits - Now Available**
For a smoother ride and less bounce

★ Install these wheels and springs on your next new carriage or replace your old ones ★
