SCHAEFFERTOWN
(Lebanon Co.) — Entering and winning the Pennsylvania Five Acre Corn Club Contest may not necessarily be about winning.

For corn grower Steve Wenger, his goal and emphasis centers on the information he can glean from the results. "I don't enter the contest to win," he said. "I enter the contest because I can look for strengths or know what I need to improve."

MOUNT JOY (Lancaster Co.) — Jim Musser has a sign in his office that reads "Problems are only opportunities in work clothes."

As a grain dealer and processor that attitude has helped him stay in business for the past 15 years since purchasing M&R Grains Inc. from his father Harold Musser and his father's partner Jay Rohrer. Jim Musser went to work in his father's operation soon after graduating from high school in 1969. President's Message

Guy Wagner
President PCGA

Hello, my name is Guy Wagner. I'm the president of the PCGA. I'm proud and honored to be PCGA president.

It's been an exciting year for PCGA. We conducted our conference Feb 5 in Grantville and we had a good turnout and an excellent program. Ed Winkle's program has generated a lot of interest in the Nu-Till system. I have been using it for the past two years, resulting in excellent stands and my best yields ever. I'd like to suggest that every-

one look at Ed's 14 step handout from his presentation. It has worked very well for me. I would like to personally thank all of our speakers. I think they all did a fantastic job.

PCGA made some big changes in 2001. The first was our name change from the Pennsylvania Master Corn Growers Association to the Pennsylvania Corn Growers Association. This has brought us more in line with the other state organizations.
