Take Time To Join PCGA Now

STATE COLLEGE (Centre Co.) — Joining the Pennsylvania Corn Growers Association is easier than ever. A one-year membership is just \$30. You can now join online at www.pacorn-growers.org or simply fill out the membership form and send to our address.

PCGA is continuing the Membership Incentive Program (MIP) in 2002-2003. The theme of the program is "Try Something New."

Take this opportunity to experiment when you choose your free bag of seed corn. This seed-corn-company-sponsored program entitles any PCGA/NCGA corn grower who plants at least five acres of corn with a 3-year new or renewed membership, to a free standard size bag of seed. This year 12 companies have stepped forward to support PCGA's membership program.

To participate, simply complete the membership form in

this issue of *Corn Talk* indicating the brand of seed corn you would like to try, along with your check for the 3-year membership. You will then receive a certificate for a free bag of seed from the sponsoring company of your choice, along with your membership card from NCGA.

In consultation with the local seed corn dealer, you make the ultimate decision about which hybrid you will receive from the company you have selected. PCGA will send the names and addresses by brand chosen to the appropriate seed corn company's statewide contact person and they will contact you.

In addition, you'll be joining more than 31,000 other growers across the country who are showing their support for the corn industry. Locally, you'll be supporting PCGA's activities such as *Corn Talk*, our Corn or Crops Conference, and local corn promotion activities.
