### New Holland Hog Auction

NEW HOLLAND, PA  
November 18, 2002

Report Supplied By Auction

HOG RECEIPTS: 690 head, last Monday 619; last year 908.

Compared to last Monday, barrows and gilts sold mostly steady to weak; with the fancier 220-270 lb hogs trending as much as 2.00 lower. Buyer activity was only moderate on the bulk of the run, and relatively void on the 220-270 pounders that were bringing from 29.00-31.50 last week. However, with the Western terminal markets trading their 220-270 lb hogs from 26.00-27.00; the local trade still carries a premium. Also, one must remember that the Thanksgiving holiday is only a couple of weeks away; which traditionally slows the pork trade down a little, as most families are not planning on sitting down to pork chops.

### New Holland Feeder Pig Auction

NEW HOLLAND, PA  
November 20, 2002

Report Supplied By USDA

Receipts: 390 Last Week: 508 Year Ago: 373

Compared to last week, there were not enough feeders of any comparable quality or weight for a market test. There were a couple of feeder buyers on hand that were interested in owning a few lots; however they were no competition for the slaughter buyers. With that said, slaughter pigs sold sharply higher in very active bidding, with special emphasis being placed on the 30-35 pound pigs.

Last week the 30-35 pounders were trading from 40.00-80.00, with this week's supply bringing from 135.00-150.00 as the holiday demand has definitely kicked in. All pigs were weighed and graded on arrival and sold by the hundred weights.
