

A legacy of performance has made us #1 in tractors worldwide.

We're New Holland.

From the old Ford 30 Series tractor to the "built for you" New Holland TN, generations of farmers have relied on blue tractors to power their productivity. That legacy continues.

Today, New Holland sells more tractors worldwide than any other manufacturer. Why?

Because New Holland and your New Holland dealer are specialists in keeping you productive.

New Holland hasn't forgotten what made the 30 Series - or the many trusted Ford tractors before it - performance leaders. So, we're working harder than ever to keep New Holland your brand of choice.

Get into New Holland blue and enjoy a whole

new level of productivity. Visit your New Holland dealer today and ask about our full line of tractors from 18 to 450 hp.
