### New Holland Hog Auction

NEW HOLLAND, PA  
December 2, 2002  
Report Supplied By Auction  
Receipts: 483 Last Week 699 Last Year 1290

Compared to last Monday, the higher quality 220-270 lb barrows and gilts sold 1.00 higher, with the remainder of the mixed supply trading fully 1.00 lower. The quality of the light run was well below average to kick off the day, increasing towards the close; and bidding was on an even keel with the quality. The terminal markets out West are trading their market ready 220-270 pounders from 29.50-31.50 to open the week, which means the local trade is in line with most other large markets.

### New Holland Feeder Pig Auction

NEW HOLLAND, PA  
December 4, 2002  
Report Supplied By USDA  
Receipts: 556 Last Week 205 Year Ago: 521

There were not enough pigs going back on feed to adequately test the market. Compared to last week's very light run, slaughter pigs sold sharply higher. Bids were quick to break 200.00 on the light 20 lb supply due to very active bidding; as buyers were aggressively trying to procure the light weight pigs to meet the holiday demand. Receipts were back up to around normal for this time of year after dropping last week due to the holiday. Buyers had their trucks lined up at the chutes before the sale even began as a snowstorm is expected to dump three to six inches late Wednesday night. All pigs were weighed and graded on arrival and sold by the hundred weights.
