At Susquehanna Valley Dairy we wish all our customers a Merry Christmas and a prosperous New Year. Although milk prices have been low and cow prices have been high this will be our best year ever. Thank you for your business.

Listed below are a handful of our customers

- S. Gluck, Manheim, bought a herd in Canada this August. In all the heat he was shipping 81 lb per day
- R. Martin, New Holland bought a herd in Canada. In the heat this summer he was shipping 83 lb per day
- J. Oberholtzer, New Holland bought a herd in Vermont that peaked in the high eighties
- J. E. Sh. Spring Garden, bought a herd in Vermont that peaked at 87 lb per day
- C. Petersheim, Quarryville, bought a herd in Vermont. I met him at the New Holland horse sale this spring and he said his cows were averaging 97 lb per day

These are of course some of the highest producing herds, however there are many more in the 70 and 80 lb range. Another very encouraging thing is when a dairyman tells me two or three years after buying a herd that he hasn't bought a cow since

What can a dairyman learn from this difficult year? Glenn Shirk, former extension agent, said "In a difficult year dairyman need to learn to work smarter not harder" My dad always said "a smooth sea never made a good sailor" Will Rogers said "Even if you're heading in the right direction, you better keep moving or people will run over you"
