

New York Broilers/Fryers
ATLANTA, GA.
December 17, 2002

Report Supplied By USDA
Trucklot buying interest on ready-to-cook whole broiler/fryers was about fair as dealers kept orders limited to regularly committed product and maintained closely cleared inventories. Offerings of the 3 to 3.5 pound birds were in good balance and the heavier sizes were sufficient. Movement through retail and distributive channels was sluggish. The market tone was fully steady on the 3.5 pound and lighter birds and steady on the heavier weights.

Delmarva Broiler/Fryer
ATLANTA, GA.
December 18, 2002

Report Supplied By USDA
Movement of ready-to-cook whole birds was seasonally light Offerings were adequate, although irregularly available, as several plants closed to keep production in closer balance with the reduced demand. Live supplies were moderate; weights were mostly desirable Processor schedules were very light. Less than trucklot asking prices were unchanged to higher at 52 to 63 cents. Trade sentiment was steady to full steady. In the parts complex, supplies were generally noted as adequate for the limited buying interest.
