Thank you for taking a minute to consider this offer

Binkley & Hurst Bros Inc is offering our annual off-season inspection and evaluation of your planter for the purpose of identifying worn, broken or malfunctioning parts. Many times, seemingly insignificant wear will affect the accuracy of your planter more than you realize. If nothing else, it may be time to have your finger pickup meters checked on our test stand. Also, new innovations, attachments and options are constantly being introduced which may be of interest to you for installation on your planter.

Binkley & Hurst Bros. Inc. parts and service personnel are specifically trained and informed planter specialists, ready to examine your planter with you! If you determine that the planting proficiency of your planter could be improved with our service, we would be happy to provide that service for you A technician will return to your farm with one of our well-stocked service trucks at a later date to assist you in doing the work. We encourage you to be part of the actual servicing so that any pointers or insight, which the technician may have for you with regard to planter operation, could be conveyed at that time
