

# Spread quickly, cleanly, and evenly

**NEW HOLLAND****NEW HOLLAND**

Nothing gets the job done faster, cleaner, or better than a New Holland side-delivery spreader.

- Handles a wide variety of material – slurry, gutter material, cow manure, even poultry litter
- Offers the most control for light top dressing through heavy applications
- Choose from five categories ranging from 1,005 gallons up to 3,188 gallons with side rails in place
- Each model backed by a 10-year warranty against tank rust-through

See us for all your spreader needs.

## Small spreader hauls 161 bushels

The New Holland Model 130 box spreader does a lot of work for its size, because it has the same built-in toughness of the larger models.

- Corrosion-resistant steel sides, heavy-duty plastic floor planks - backed by 12-Year Bonded Protection
- T-rod apron chains require less adjustment, allow better cleanout
- Sturdy A-frame hitch pulls from far under the spreader

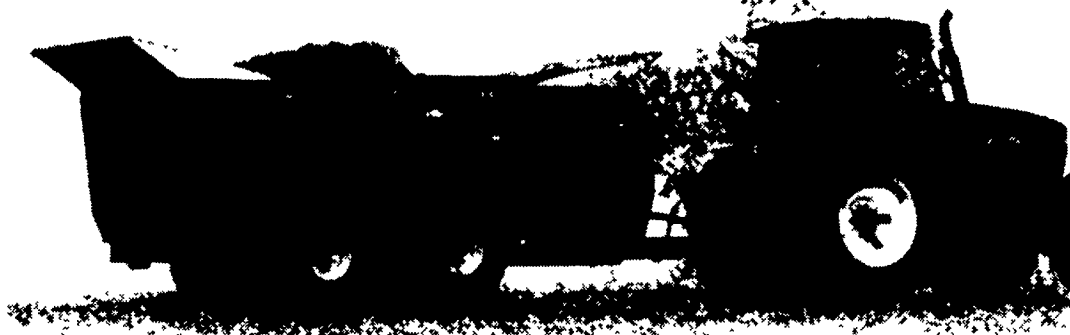

## Huge capacity, fewer trips

New Holland's Model 3118 side-delivery spreader with side rails holds a huge 3,118 gallons of material. You'll make fewer trips and get the job done much sooner. It's perfect for large commercial and municipal operations.

- V-tank design delivers material to the auger fast
- Heavy-duty round-core auger produces less drag
- Double-acting hydraulic cylinder moves auger up and down to keep material flowing
- Hydraulic gate and specially designed expeller give precise application control

When you need a big spreader, see us for the Model 3118.
