A third generation Maryland company that is a leader in the production of SportsTurf Construction, Horticultural and other Soil-based materials has a unique employment opportunity for the qualified individual. Qualifications include a background in agriculture and a strong academic resume. Willingness to work as a cooperative member of an administrative team, assisting staff with the continued development, marketing and sales of soil products and the development of the beneficial reuse of "waste and residual" materials is essential. Currently the company is working on projects of a commercial, industrial and residential nature. We are looking for a person who has a high degree of personal motivation, an old-fashioned work ethic combined with dedication and a straightforward approach. We provide a competitive salary with benefits and a great working environment.

Serious Inquiries only, please. Send resume to
