

S-T-R-E-T-C-H your storage

When Glenn Gockley of Mohnton, Lancaster Co., built his 42' x 19' Slurrystore® in 1986, he was milking 50 cows. Little did he know that he would be thankful for the Slurrystore's expandability feature in 2002, when he and son Lamar would double the size of the herd and raise the Slurrystore to 33' high. Thanks and congratulations, Glenn and Lamar!
