Very high yields, super quality plus unsurpassed standability! Attention StandFast™ is leading the way to higher productivity.

Attention is ready to cut 3 to 5 days earlier than other Fall Dormancy 4 & 5 varieties which makes it ideal for mixing with our late heading grasses. Under aggressive management, Attention will likely give an extra cutting for the year and still persist. In private testing under aggressive management at Rock Springs, Attention yielded just over 10 tons of dry matter!
