PUBLIC AUCTION Saturday, March 29, 2003 1:00 P.M.

EARLY PENNA. GERMAN LOG FARM HOUSE AND BARN
 Circa 1765-75

Located on a quiet 2 1/2 acre lot with spring and pasture on a maintained street in the historic community of Schaefferstown, Penna., this early dove-tailed log home presents evidence of a large 11 foot fireplace with a central chimney. An extremely rare and unusual feature includes evidence of paint decorated interior logs and chinking. The second floor provides wide oak flooring and evidence of an unusual "sleep-closet" beside the massive fireplace chimney. Four rooms made up the original 18th century portion of the house with a later, perhaps also a late 18th century, addition. A pleasant semi-attached summer house completes the dwelling.

A pleasant Penna German 3 bay stone end bank barn with a thrashing floor and 2 mows on the upper level is neatly situated on a gentle rise of the lot.

The 2 1/2 acre site supports a spring and pasture. The property, bordering Historic Schaefferstown, is ready for restoration by anyone wanting to restore an 18th century log home with evidence of unique and hard to find features.
