

# The Harvestore® Feed Storage Structure

## Get control of your feed costs!

To maximize profits with low milk prices and high purchased feed prices, feed Harvestore-processed home grown high quality haylage and high moisture corn.

## If you need to start *your* row (or add to your existing row), call us!

The results you may achieve with your Harvestore® System depend primarily upon your management skills and may vary from successful results achieved by others. Any application in a particular farming operation requires the advice of qualified experts and is subject to limitations of good management, weather or other conditions present at the individual location. Harvestore is a registered trademark of Engineered Storage Products Co.
