KNIGHT... the REEL Advantage

A Faster, More Thorough Mix

front view

The large-diameter reel provides a gentle tumbling action and the two side augers produce an end-to-end blending action. This unique combination ensures faster mixing and unloading times, and a very thorough mix, even when mixing small batches.

3000 Series Reel TMR Mixers
from 147 - 950 Cubic Feet Mixing Capacity

Truck, Trailer, and Stationary Models
