HANSON™

NOW IN STOCK!
 Ready to install.

A revolutionary concept.
 NO traditional blower to plug or gum - TurboTrax has high capacity output of feed - even long cut and varying moisture levels
 Available in 16' to 30', 1 or 3 cables

The secret is a pair of snowmobile tracks that brings feed from the augers to a conveyor and out the door.

A Famous Person once said "The common law of business balance prohibits paying a little and getting a lot. It can't be done. If you deal with the lowest bidder, it is well to add something for the risk you run. And if you do that you will have enough to pay for something better."
