Imported from Holland, ORLANDO is a black
17.1 Hand Dutch Harness Horse Stallion.
The Dutch Harness Horse is a wonderful
horse to cross with existing breeds of horses
used for driving and work. Dutch Harness
Horses have been bred in Holland for over 80
years. The sole purpose is to increase trot
and stride, thus producing driving horses that
move more efficiently and cover more ground
with less effort.
Exciting opportunities exist for the serious
breeder looking to be involved with the induc-
tion and infusion of these great horses into
today's breeding programs.
ORLANDO is standing at Mogadore, Ohio for
the 2003 breeding season, shipped semen is
available. The 2003 introductory stud fee is
\$1000.00 and includes a live foal guarantee.
For breeding information and available blood-
stock in Holland, NL contact:
Colin Shields

Really nice filly. She has 15 days training on her and should make an excellent all-around horse when she matures. She has never been shown, and would make a great trail horse. She is gorgeous and quiet in her stall and for handling. Hauls, clips, bathes etc Has great bloodlines and is current on all her shots and farmer work She has a very sweet personality and loves attention. Her grandfather is Zips Chocolate Chip and her great-grandfather is the Investor.
