

Peoples Dairy Farm

McAllisterville, Juniata Co., Pennsylvania

Farming with Harvestores since 1977

Joe Peoples (right) with stepfather Lee Glass and son Colby

"We recently installed a 25-ft. Series 92 remanufactured Goliath Unloader in our 25x80 Harvestore. Best unloader we've had to date! Cut down on our feeding time--the delivery is impressive."

Peoples' feeding program consists of 80% haylage, 20% corn silage and high moisture shelled corn. The 130-cow dairy is averaging 66lbs. of 4.0% butterfat milk and off-farm feed purchases (protein, minerals, calf feed) works out to 16% of their milk check.

Thanks and congratulations!
