

Small Grain Harvest?

To Hooper Mechanics It Reads Like A Good Novel

• Hooper's experienced, factory-trained combine technicians have been working with Axial-flow technology since 1977 when Hooper brought Case-IH combines to the East

• Before Hooper delivers a reconditioned Case-IH Axial-Flow combine, Hooper's combine technicians check 150 separate checkpoints to ensure optimum performance

Reconditioning Guide For "Selected" Used Combines

With 0% FINANCING on all used combines, and Hooper's experienced service and parts support, now is the time to upgrade to a premium reconditioned combine from Hooper!

• Plus, Hooper combine technicians make additional modifications based on Mid-Atlantic field conditions, so your combine is even more productive and efficient

• Some people may find the Combine Reconditioning guide a bit dry, but to Hooper combine technicians, it's a true classic... one they never get tired of reading

*Combine reconditioning available on "select" machines
