A Famous Person once said, "The common law of business balance prohibits paying a little and getting a lot. It can't be done. If you deal with the lowest bidder, it is well to add something for the risk you run. And if you do that, you will have enough to pay for something better."

We are something better...

Everlast laps better.

Everlast II metal roofing and siding overlaps are stronger, tighter, and virtually invisible. Lap edges are less subject to deforming bends during erection. Driving rain is less likely to penetrate at the laps.
