Do More with Gehl's New Agri-Loader™  
Telescopic Loader  
Power Shuttle  
Reverser

**Quick Attach!**

Looking for a better way to attack trench silos? Agri-Loader™ is the answer. In fact, it's the solution for all your material handling needs.

*We stock and sell Gehl Silage Mill Attachments for all your loader needs. With a Gehl, you don't cut, just loosen! Get a GEHL from Binkley & Hurst Bros.*

**Optional Attachments Available!**

Cleanly shave hard-packed bunkers with Gehl silage mill attachments.

The "Bunker Buster" incorporates a spinning cylinder with a series of replaceable, mounted picks, the same tungsten-carbide picks used to mill asphalt and concrete roadways prior to resurfacing

The "Bunker Bucket's" heavy-duty pics and large capacity bucket allow silage to be shaved, scooped and transferred in minutes

**Optional front axle differential lock is controlled by a button on the end of the transmission selector.**

**TRANSMISSION SELECTOR.** Combines directional and speed selector functions. Select up for forward, middle for neutral and down for reverse. Choose from one of four speed ranges by simply twisting the transmission selector. The unit will automatically shift up to the desired gear. This feature gives you complete control and helps prevent needless wear on the transmission.

**From transmission and temperature to turning and leveling, the Gehl Agri-Loader puts you in complete control. Quickly access conveniently placed switches and gauges for accurate results while confidently performing joystick maneuvers.**

**JOYSTICK CONTROL.** Allows you to operate with confidence by giving you precise boom and attachment control with a single, multi-directional joystick.

Maneuvering is easy with a tight 12'2" turning radius. Choose from hydra power 4-wheel, 2-wheel or 4-wheel crab-type steering.
