WHY BUSH HOG SQUEALERS MOW DOWN THE COMPETITION.

There are two basic reasons and quality is the first. Each Squealer model is equipped with a tough Bush Hog gear-box that carries a 2-year limited warranty. All models except the 42-inch wide cutter feature oval blade pans as standard equipment, and the 5 and 6-foot wide models have an "in line" shear bolt driveline protection that can be replaced in a snap. An optional slip clutch is available. A new formed deck design increases strength and eye appeal.

The second reason for the Squealer's popularity is price. Select any of the six models, 42 to 84-inches wide, and compare prices with the competition. With a true price and quality comparison, it's easy to see why Squealers mow down the competition.
