 PORK  
 PRODUCERS**

## Aerobisizer

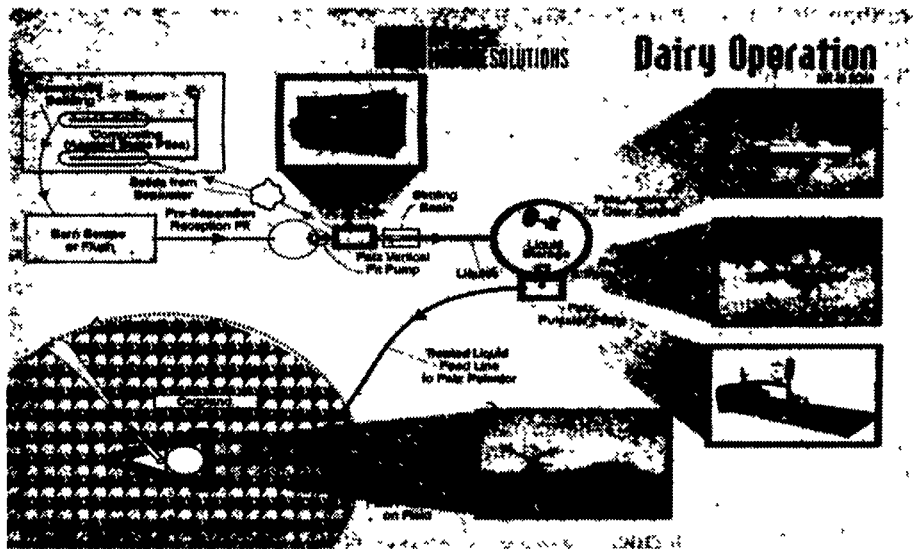

as Low as Resolutions

designed to agitate pit bacteria  
 and nitrogen from leaching  
 improves the carbon-nitrogen ratio in manure  
 saves farmers \$100 or more in fertilizer  
 per animal unit per year.

Call today for more info!  
 See it at our Grand Opening

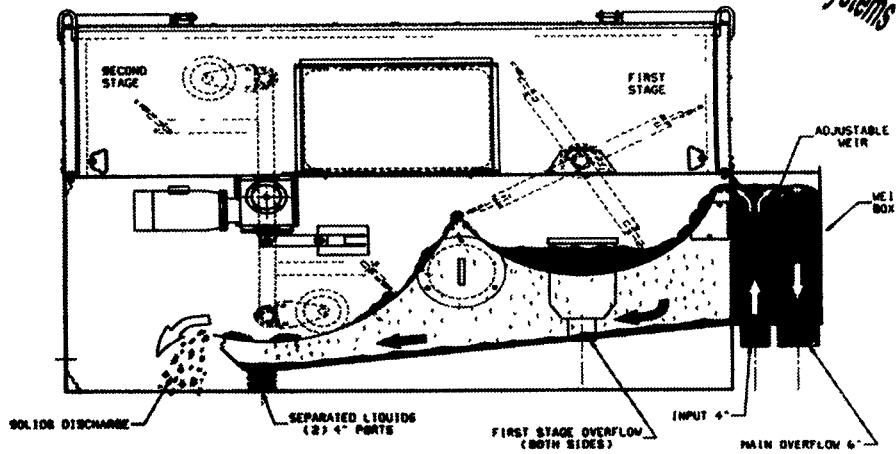

**REDUCE FLIES! REDUCE ODOR!**

If you have an  
**Aerobisizer, your  
 Neighbors will love  
 you too!**

Got manure? We can help you turn it into \$\$.  
 See the PATZ Manure Separator at our Grand opening.

**2nd Stage:** Rotors press more liquid out of solids through screen.  
**1st Stage:** 80 to 90% liquid removed  
 Rotor spins twice the speed. Brushes push solids off screen onto pile. Brushes push solids opening holes for more liquid to go through unto 2nd screen.
