Cut faster... condition better

For greater maneuverability and higher efficiency, nothing beats the Model 1431 Discbine® disc mower-conditioner from New Holland. It features a 13' cutting width, and operates at high ground speeds in wet, heavy grass without plugging. Fire anthills and gopher mounds won't stop the new Model 1431 either.

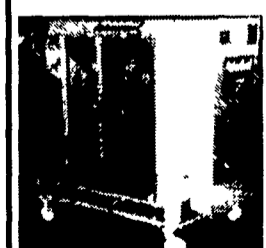

Outstanding features include:

- A center pivot-tongue design
- Independent modular cutterbar with ten small-diameter cutting discs
- 102" wide conditioning rolls
- A full range of vertical and lateral flotation
- A torsion-bar, roll-pressure system
- A cutterbar driven from both ends

For maximum harvesting efficiency, check out the Model 1431 Discbine.
It's the best in the field and it's in stock now!
