**BEFORE YOU "BURY" YOUR PLANTER IN COLD STORAGE 'TILL NEXT SEASON CONSIDER THIS!**

**\*Now Is A Great Time To UPTIME\***  
While any issue concerning this years' planter function are fresh on your mind

Mr. Planter Owner

Binkley & Hurst Bros Inc. is offering our annual off-season inspection and evaluation of your planter for the purpose of identifying worn, broken or malfunctioning parts. Many times, seemingly insignificant wear will affect the accuracy of your planter more than you realize. If nothing else, it may be time to have your finger pickup meters checked on our test stand. Also, new innovations, attachments and options are constantly being introduced which may be of interest to you for installation on your planter.

Binkley & Hurst Bros. Inc. parts and service personnel are specifically trained and informed planter specialists, ready to examine your planter with you! If it is determined that the planting proficiency of your planter could be improved with our service, we would be happy to provide that service to you. At the time of inspection we will recommend to you any items needing attention. Also at that time we will remove your meters to return to the dealership for testing, if you so desire. The cost for meter service is \$24.95. This includes testing, cleaning and repair labor (parts not included).

If you set an appointment for planter evaluation, you will be charged a flat fee.

4 or 6 row planter	\$175.00
8 row planter	\$200.00
12 or 16 row planter	\$225.00

(Customers over 50 miles radius of Lititz, subject to mileage charge)

If no evaluation is requested, we can simply perform the service without charging an evaluation fee. A Technician will visit your farm with one of our well-stocked service trucks to assist you in reconditioning your planter. We encourage you to be a part of the actual servicing so that any pointers or insight which the technician may have for you with regard to planter operation could be conveyed at that time. If you schedule an uptime before September 30, 2003, you will save 10% on KINZE and CASE IH parts and labor!

If you have any Questions, please contact the planter department at (717)626-4705 or (800)414-4705

Thank you, Kevin Smoker
